

FALL 8 Week Classes at Out of the box art studio 2010:

We find that **8 week classes** give students a chance to sample many different classes during the year to fit with their family's schedules! An art exhibit will be held to showcase the students work for family and friends!

Classes begin August 23rd and will end week of Oct 18th (Monday classes will end a week later because of Labor day)

Registration begins July 19th and ends August 17th.

MONDAY:

11:30-1:00: " For the Birds...." Flying Creatures and Birds" Art that compliments science! (Elementary) This 8 week class will focus on drawing and sketching, painting, creating habitats of clay , collage, feather boxes, and more! The projects are awesome for this class! Students using Jeannie Fulbright's Science curriculum will love this(but it can go with any others as well!) Audubon will be our artist inspiration as well as other artist!

130.00/ 8 weeks/ in studio

11:30-1:00: " Under the Sea" creatures in the waters! We will use Matisse, Homer, and other artists that will inspire students in sea scapes, drawing, watercolors, clay pieces, canvas

painting, and collage during this exploration of sea animals!8 weeks/elementary/in studio 130.00

11:30-1:00 Fall Botany art: Also complimenting science this class will explore landscapes, leaf printing, clay leaf bowls, tree drawings, Georgia O Keefes love of flowers, and much more. A nature notebook will be given out as well to develop!/
