

## Field Trips to Out of the Box

Homeschool groups, daycares, school groups, Scouts, Youth Groups, adults.....

General Info: All of our field trips are lead by an experienced artist who can educate young learners about the process of art! Field trips also include a tour of our studio to learn about other mediums of art! Field trips last from 90 minutes to 2 hours depending on the project you select! We have over 75 projects ready for you to choose from! We will be glad to design on for your group! We can accomadate up to 80 students at a time. Ages and prices vary and are included below! Come create with us!

Here are some options for Field Trips:

**NEW! Spring and Summer Theme Field Trips!**

Clay Butterflies

Clay Birds with nests

Clay Easter Bunnies

## Beach Scene Collage

## Clay Bugs and Critters

**NEW CASTABLES:** Come learn how “ slip” is poured into molds and bisque is created while you paint your own cat, dog, heart, or star!

Ages: Preschool to Middle School (similar ages must be grouped)

Painting Pottery .. REAL Bisque, REAL Glaze, REAL Firing,  
REAL Fun!!!..... (Not plaster)

Ages: Preschool- Adult

\$8.00-\$10.00 per student

Children can select from an assortment of pottery pieces to paint including bees, butterflies, footballs, soccer balls, monkeys, caterpillars, tiles, and much more! Students will be taught about the glazing process and even learn fun painting techniques! We will also explain the ceramics process to your students! Pottery will then be fired, wrapped, and delivered to you in one week.

Clay- By far one of our most popular project groups!

Students LOVE CLAY!!!

Mudworks: Come Play in the Clay!

15.00 per student

Ages: Preschool to Adult

Students learn about clay as they experience the **potter's wheel!**

Students get a turn to try out the wheel and then sculpt a handbuilt clay project!

## Clay Handbuilding/Sculpting

Ages: Preschool to Adult

Recommended Projects for Age groups:

## The Clay experience at OOTB....Let's Get Messy!

\$10.00- \$13.00 per student KIDS LOVE CLAY!!!

Your students will create using making a clay project that will be taught to them by an OOTb artist, followed by glazing with Mayco glazes the SAME day! We will teach the children how the process works with firing and clay. Should your group like a special " clay story" we will be glad to read that to them as well.

Want to take it home today?

\*Air Dry Clay – This means the clay does not have to be fired and children take their projects with them. \*We can make many of the same projects from Air dry clay. We will not be able to glaze it of course.
